

Title: Don't Jump on Me

Jumping is fun!  
I like to jump around when I am excited.  
I should not jump around in the house  
or else I might hurt someone.  
Jumping on people can hurt them and I should  
not jump on them.  
I can jump around outside when I play with my friends.  
Jumping is fun but I should be careful not to hurt others.

Title: Collect them all!

I enjoy collecting items.  
One time I collected rocks.  
I had many rocks around the room.  
Mommy walked on the rocks.  
I put all of my rocks in a small circle.  
Now I cannot lose my rocks.  
I know where all of my rocks are.  
That makes me happy.
